

The early bird ...

starts working for Testbirds!

Testbirds is a pioneer in the crowd and cloud based testing of apps and web applications. Become part of our team to successfully conquering this rapidly growing international market!

Internship Social Media & Community Management (m/f/d)

Your Role

- › You expand and entertain the community through social media, competitions and your own ideas
- › You are the important link between the testers and our other departments (Project Management, Sales, Development)
- › You are the contact person for inquiries from our large international community

You Bring

- › You have completed a university degree or at least a few semesters
- › You can write appealing texts and come up with creative solutions
- › You are interested in topics like Social Media and Gamification
- › You are speaking English on a native speak

You get extra points if:

- › Previous experience in Community Management
- › An affinity for mobile websites and apps

We are offering

- › A challenging internship (at least 3 months) in an international working environment based in the heart of Amsterdam, only 10 minutes from Central Station
- › Flat hierarchy: you are responsible for your work and you can implement your own ideas
- › The chance of continued employment (working student, thesis or permanent position)
- › An open culture, uncomplicated togetherness and joy of shared successes
- › A great working atmosphere with a lot of team activities e. g. bi-annual workshops at our Munich HQ, free lunch and all the coffee you can drink

Are you convinced to become our next Bird?

If yes, please use our application form to submit your cover letter and current CV, as well as work certificates/samples of your work. Don't forget to include your salary expectations and your earliest start date. Your contact person is Stefanie (jobs@testbirds.de).
